- Read Email
- Write Email
- Download Attachment

15. Technology Specific Automation

- Object Cloning
- Manage Windows Control

16. Applications

- Read from CSV/Text
- Database
- Prompt(Attended Automation)
- Clipboard
- Comment

17. Advanced

- Error Handling
- Image Recognition
- PDF Automation
- Screen Capture

18. Deployment

- Uploading Tasks To Control Room
- Deploying Tasks from Control Room To Bot Runner Machines
- Managing Bot Dependencies

20. IQ Bot

- Introduction to Cognitive RPA
- Introduction to IQ Bot
- Invoice processing with OCR
- IQ Bot Designer and Training module

19. Meta Bot

- Introduction to Metabot
- Metbot designer
- Asset building
- Invoke DLLs

21. Workflow Designing
